Medical Insurance Application

BSP Life

YOUR DUTY OF DISCLOSURE
It is a requirement by law that you disclose to BSP Health, every relevant risk or matter which you know or are reasonably expected to know which is relevant to BSP Health's decision to accept the risk of insurance and, if so on what terms. If you fail to comply with your duty of disclosure or your non-disclosure is fraudulent, BSP Health may void your contract of insurance at any time from inception or commence legal action against you. If your non-disclosure is innocent, BSP Health may choose not to void the contract and reduce any claim you make to the amount that would place it in the position it would have been in if the non-disclosure had not occurred. This application form is not a contract of insurance but it does form the basis of the contract of insurance. The general terms and conditions of the Policy is available upon request.
